To: Printers, Copy Centers, Web Designers & Graphic Artists

Please know that the person coming to you with *Shine CD-Rom* files has purchased these files as part of a curriculum. Part of the purchase includes the rights to reproduce any part of the CD-Rom in quantities as needed for their local church, ministry, school or family to use the curriculum. This includes files such as lessons, activity sheets, coloring sheets, craft sheets and more.

They also have the rights to use the graphic files in any size and can be combined with their own graphics to create items such as banners, posters, flyers, nametags, t-shirts, e-mails, websites, and any other uses of these types.

If you have any questions or concerns, please contact us. We are always glad to speak with you.

Thanks for helping our customers and increasing the effectiveness of our curriculum.
